

MYAA Baseball  
Babe Ruth League Overview

Ages 13-15

This age group will follow Babe Ruth Baseball rules. Teams will be formed by a draft. This draft will be based upon the evaluations from prior MYAA season from their respective coaches.

Any new players who did not participate in the program in the prior will be evaluated during the MYAA evaluations in late February.

All coaches will complete a coaching application. The coaches will be evaluated based on experience. They will be chosen by the MYAA Baseball Board. A head coach can choose one assistant before the draft. Additional coaches will be announced once the teams are established. Coaches are required to participate in the open practices before the season begins. Coaches must be certified by MYAA's coach training program and keep their certification current.

Games will begin in April.

All players bat and must play a minimum of 3 innings in the field.

There will be approximately 15 games played during the season. These games will be played in town as well as neighboring towns.

There will be a single elimination playoff at the end of the season.

Pitching is limited to 7 innings per week.

The games will be played on a 60 – 90 regulation baseball field.

Safety equipment including cups is mandatory. Players with glasses must wear safety glasses while playing.

Metal spikes are allowed during games.

There are no restrictions on bat sizes.

In the case of inclement weather please check [www.myaabaseball.com](http://www.myaabaseball.com) to see if the fields will be closed.
